

Infants II Science Project Letter Term 2 2020

Dear Parents and Students,

This term I would like for the students to do a project on local Scientists. The students will be asked to choose ONE local Scientist and briefly describe them.

Please read the following instructions for details:

- Use 8 ½ x 11” sized paper – label ‘Science’ at the top of the paper
- Students are to stick in **ONE** picture of the **local** Scientist they chose
- In 2-3 lines, students must describe:
 - What type of Scientist it is
 - How that Scientist has contributed/contributes to the world of Science
 - Why they chose that Scientist
- Students must write their **NAME** and **CLASS** at the back of the project.
- Please ensure that work is neatly done and is brought in **NO LATER THAN Friday 28th February 2020**

Please see the rubric below for the marking criteria:

Picture	1 mark
Neatness	1 mark
Description	6 marks
Following Instructions	1 mark
Submitting on time	1 mark
Total	10 marks

If you have any questions, please feel free to send an email and also you will be able to find a soft copy of this letter on my website.

Warm regards,

Infants II Science Teachers
